Homéopathie, connaissances et perspectives (French Edition)

Alain Horvilleur, Charles-André Pigeot, Frédéric Rérolle

Homéopathie, connaissances et perspectives (French Edition) Alain Horvilleur, Charles-André Pigeot, Frédéric Rérolle

Résolument contemporain, cet ouvrage de référence a pour principe de **faire le point sur l'état de la science en homéopathie**. Conçu comme un traité, il apportera aux lecteurs, médecins généralistes, homéopathes débutants ou confirmés et spécialistes, **une vision globale et actualisée de la discipline**.

Une première partie présente **les fondamentaux** (principes généraux, histoire, philosophie, spécificité de la consultation, etc.) ainsi qu'un chapitre spécifique consacré à **la recherche en homéopathie**.

Dans une deuxième partie sont traitées **les spécialités médicales**, qu'elles soient d'organe ou d'appareil (cardiologie, dermatologie, ophtalmologie, endocrinologie, gastro-entérologie, rhumatologie, uro-néphrologie, etc.), de maladie (cancérologie), de milieu (infectiologie, médecine environnementale, médecine du sport, traumatologie) ou mentale (psychiatrie) ou encore consacrées à certains types de patients (pédiatrie, gynécologie, obstétrique).

Le traitement des principales pathologies y est clairement explicité.

Chaque chapitre est assorti d'un « focus » qui aborde **un aspect essentiel et contemporain de la spécialité correspondante**, comme par exemple l'accompagnement de la maladie d'Alzheimer, du cancer du sein ou encore les troubles de l'attention en pédiatrie.

Dans cet ouvrage incontournable, les coordinateurs ont - pour la première fois - rassemblé des **auteurs reconnus issus d'horizons différents**, afin d'offrir **une vision large et ouverte de la discipline**.
