Fans are raving about Horror in Highgrove: Murder by Prostitute, by Jessie Bleu Gentry - Memento Mori Series Vol. II! *"This is creepy. Oh man, this is creepy! Gentry is one of the best True Crime authors in Amazon Kindle! Great work!"* ~ Martin Mahan

*"Prostitution, murder and mayhem - Gentry's work could easily be an HBO True Crime Series! Well done..again!"* ~ Linda Holtz

*"Dark and creepy, Gentry goes where few dare! With decades of real life experience around these horrible people, she conveys her story in a way that makes you feel as though you're in the room. Horrific and awesome!"* ~ Jana Stephens

About Horror in Highgrove: Murder By Prostitute A heart wrenching and horrifying story based on actual facts revealing the torture and murders of two Mexican construction workers at the hands of a self-described "rat pack." Belle Raney and French Boulander are two prostitutes who decide it is more profitable to rob their "johns" than "do the date" but the game gets out of control. Belle's suppressed anger from a childhood of horrific sexual abuse and maternal neglect surfaces one hot August night in unchecked rage against two young men whose only crime was looking for an evening of escape from loneliness.

The manner in which Belle brutalizes these two hard working men who have not yet reached the age of 30 will leave you numb with disbelief. With her three year old twins asleep in the same room, Belle unleashes her fury in a long, torturous and agonizing vent that leaves two beloved husbands and fathers lifeless on the floor.

Gentry's love of Mexico shines though in this tale of sorrow as she weaves a story that lets the reader see what Frank de la Torre-Nunez and Oscar Cervantes-Mendoza left behind in Zapopan, Jalisco as they made their way north to earn a living for their families back home with loyal friends in the small city of Highgrove. Romantic Spanish love ballads, Indian ancestry, skirts made of serpents and warm family ties are all a part of their compelling and unforgettable story.

Horror in Highgrove exposes the seamy underworld of methamphetamine addiction, unrepentant parolees, cheap motels, and pimps in Riverside County, California as the reader takes a walk on the wild side. An Aztec goddess brings a message of impending doom in a terrifying vision to a telepathic and spiritual Highgrove bartender whose heart is broken by the senseless killings. Gentry tells the most chilling part of the story through the dying eyes of both victims, as they helpless at Belle's ruthless mercy.

Graphic facts taken directly from court transcripts and testimonies are not for the faint of heart, but if you are up to the task, don't miss Horror in Highgrove: Murder by Prostitute. It will make you think twice about the safety of your favorite neighborhood watering hole.
