This is one of my favourite stories: an intimate portrait of a fascinating woman. I had the good fortune to spend a day and most of a night with the great chanteuse at her home in Ireland - talking, dining together, walking around the estate, listening to her stories and favourite music. Originally published in a German magazine, this revised, expanded, digital version is the first time this interview has become available in English. In it, one of the world's great singers opens her heart about her time in rehab, her music ... and why she fell out with Mick Jagger.
