“Dom and Denise will make you believe in happily ever after. Dominick is definitely book boyfriend material.” – *Marie Hall, New York Times and USA Today bestselling author of A MOMENT*

Sometimes, love comes with a price...

The past is always gonna try and bring you down, but you gotta fight. Fight hard for what you love. Fight to win is what twenty-two-year-old Dominick Anderson believes, but his life is a struggle. Growing up with an abusive father has made Dominick slow to love and trust, and he relies on his brother Kevin to keep him on a straight path.

Dominick fights his demons every day, every night. Now a sophomore at the University of Washington and working a steady job at a mechanic's shop, Dominick wants to create a better life and find the future his father never wanted him to have.

Dominick suppresses his identity and feelings until he meets Denise Ramsey. Smart, stunningly gorgeous, and sharing his love for motorcycles, Denise is everything Dominick longs for in a girl but knows he can never have. When a past love threatens her life and brings out Dominick's suppressed dark side, he must decide if she's worth the risk.
