**The church is heading into a “perfect storm” of cultural forces. Will you sink beneath the waves, or ride the winds of the Spirit?**

An array of cultural forces is coming together to present the church with unprecedented challenge and unequalled opportunity. Such “category 5” realities as postmodernism, postChristendom attacks on belief in God, and the threat of global warming have coalesced to make a “perfect storm” that will leave people uncertain of their place in the world, and all they have previously believed in. Like the disciples when Jesus calmed the storm, the church can cower and cry out for relief. Or, when everything is spinning and whirling in the wind, the church can go out to meet the storm, embrace the gale, . . . and pass out kites.

From the *Circuit Rider* review: "Like other books Sweet has written and compiled, *The Church of the Perfect Storm* is thought-provoking and compelling. The material flows in such a way that allows readers to grasp the gravity of the situation. However, as with most futuristic material, there is also a sense in which readers may want to know: 'Okay, now what? Where do we need to steer this ship? Are mainline and evangelical churches so off-course as to fail to weather the rising tides that are here and soon coming?' Readers of this volume may enjoy the description of a post-Christendom world, but they may also want to know more about the prescription for the days ahead. (Click here to read the entire review.)
