When Meghan Kelly, eighteen-years-old and backpacking across England, descends into the century-old stone tunnels of the Underground, she plans on a hot date at a secret nightclub. Instead, she finds herself imprisoned and in a fight for her very survival.

Kiernan has lived in the Underground nearly all his life. After his encounters with Meghan, he must choose between loyalty to his father or saving the human girl he yearns for. Not an easy decision when his people face extinction and Meghan might hold the key to saving them.
